Synchronized Swimming

Imagine a gymnast under water, combined with the spins and figures from a skater, the power and strength of a water polo player and the posture and grace of a dancer. All of these are the components of a synchronized swimming athlete.

Synchronized Swimming is the ultimate TEAM sport. Each individual member plays an integral part to the teams' ultimate success.

About Us

The Gainesville Gaviatas Inc. is a competitive synchronized swimming team, which began in 1997. We currently have swimmers ranging in age from 8 to 15 years of age.

As a competitive team, members compete in locally, regionally, and nationally competitions. The team functions under the rules of Florida Synchronized Swimming, Inc. (FSSI), which is a division of United States Synchronized Swimming, Inc.

We believe in cultivating the talent and abilities of synchronized swimmers of all levels in the Gainesville area. It is important for us to create not only good synchronized swimmers, but also good people.

The Gainesville Gaviatas, Inc. offers recreational and competitive synchronized swimming programs for the beginner through the expert swimmer. You and the coaching staff will decide which program is best for you. Practices are mainly held at the YMCA Northwest Pool.

Registration
